QUESTIONS 19-39 MUST BE ANSWERED BY ALL APPLICANTS

19. Location of premises for which permit is requested:

Municipality_____

County_____

Post Office Address_____

Exact legal description by metes and bounds:

Number of acres _____
(attached hereto is a plot plan showing the premises involved together with information thereon delineated showing accessibility by highway and railroad and distance from Philadelphia and New York and New Jersey metropolitan area. Also, attached hereto is a brief resume of the general accessibility to centers of population of the premises involved.)

20. Does applicant own premises involved? Yes _____ No _____
- (a) If so, attach hereto a certification as to the title of said premises, either by a title insurance company of the State of New Jersey, or a counselor-at-law of the State of New Jersey.
- (b) If not, does applicant have an agreement to purchase or an option to purchase the premises involved? _____
- (c) If not, and applicant is leasing or renting the premises involved, give name and address of person from whom premises are leased or rented and attach hereto a copy of such lease, together with a certification as to the title of said premises, either by a title insurance company of the State of New Jersey or a counselor-at-law of the State of New Jersey.
- (d) State amount of encumbrance against premises involved and the names of the holders of the same, together with the date of the maturity thereof _____
21. Describe generally the buildings which are erected or proposed to be erected on the premises involved, setting forth the type of construction and approximate cost of each:
- (a) Clubhouse _____
- (b) Grandstand _____
- (c) Stables _____
- (d) Quarters for exercise boys, apprentices, etc. _____
- (e) Total cost _____
- (f) Approximate date of completion of the foregoing _____

(Attached hereto is a plan showing the location of the above described buildings on the premises herewith involved, together with the location of track, parking places for automobiles and such railroad or

bus terminals as may be constructed. Also, attached hereto architect's sketch of buildings and plans and specifications for the construction of the same and for the construction of the track.)

The said plans and specifications must contain the following minimum requirements which are herewith given as a guide:

- (a) The race track shall be of a mile in circumference of standard regulation.
- (b) The grandstand and clubhouse shall be built of structural steel and concrete, and of the latest type of fireproof construction.
- (c) The grandstand and clubhouse must accommodate a minimum of 20,000 people inclusive of any box seats and restaurant facilities and the buildings so constructed that future additions as to seating capacity can be so accommodated. Executive offices, racing officials' offices and attendant's operation department, jockey rooms, etc., and all other offices may be located under the grandstand in the mezzanine floor and ground floor. If any additional buildings are constructed, they shall be of same fireproof construction as specified for grandstand and clubhouse.
- (d) The minimum amount of box stalls required shall accommodate 1500 horses and 20 additional shall be erected in the paddock. Each row of stalls shall have sanitary toilet facilities and showers, for the use of stable employees. These facilities may be a part of stall buildings or separate buildings, adjacent to each row of stalls. All stalls shall be of a standard size, properly ventilated, fully sprinklerized and equipped with sufficient electric light.
- (e) There shall be a recreation building for the use of the help of racing stables, conveniently located and of suitable size for a lounge room with toilet facilities, equipped with library and reading matter, games and other forms of amusements.
- (f) There shall also be a suitable size kitchen and restaurant for the help of racing stables, size of building not to be less than 60 x 150 feet.
- (g) Parking space to be provided for a minimum of 10,000 cars.
- (h) There shall be a suitable office or offices provided for the State Racing Commission with all sanitary conveniences in such size and location as determined by the State Racing Commission.
- (i) There shall be forensic testing facilities providing for equine forensic analysis in such size, location and with such

appurtenances as determined by the State Racing Commission.

22. Describe specifically the track you intend to use (if erected), or construct, including the length, width, and exact type of construction of the track strip and surface. Also, describe construction of rails and drainage facilities. If the track is not erected or if improvements are planned, give estimated cost of construction. Attach blueprint of track and architect's sketch plans and other pertinent data.

23. Has any individual, partnership, corporation or association, other than the applicant, any interest directly or indirectly in the license applied for or in the business to be conducted under said license?

Yes _____ No _____

If so, state names, addresses and interest of such individuals, partnerships, corporations or associations.

24. (a) Has applicant or any person, partnership, association or corporation interested in this application for a permit in any manner whatsoever, been granted a permit for the holding or conducting of a horse or harness race meeting in the State of New Jersey? _____

If so, give details:

- (b) Is applicant or any person, partnership, association or

corporation interested in this application for a permit in any manner whatsoever, also interested in any other application for the holding or conducting of a horse or harness race meeting at any other track, place, enclosure or premises in the State of New Jersey?_____

If so, give details:

25. Does any person, partnership, association or corporation interested in this application for a permit in any manner whatsoever, have any interest in the conducting of any horse or harness race meeting in any other state of the United States, Canada or elsewhere?_____

If so, give details:

26. Have you or has any person mentioned in this application, ever been convicted of any crime?_____ If so, state details as to each conviction, giving the name of the person convicted, date thereof, nature of the crime, court in which the conviction was entered and sentence imposed.

27. Has any person, partnership, association or corporation interested in this application for a permit in any manner whatsoever, ever had any interest directly or indirectly in any application for a permit to hold a horse or harness race meeting in the State of New Jersey which was denied or which, if granted, was surrendered, suspended or revoked?

Yes _____ No _____

If so, give details of refusal of application or of the surrender, suspension or revocation.

28. Has any person, partnership, association or corporation interested in this application for a permit in any manner whatsoever, ever had any interest directly or indirectly in any application for a permit to hold a horse or harness race meeting in any other state of the United States or Canada, or elsewhere which was denied or which, if granted, was surrendered, suspended or revoked?

Yes _____ No _____

If so, give details of refusal of application or of the surrender, suspension or revocation.

29. Have any of the individuals mentioned in this application as having any interest in any manner whatsoever in this proposed application, ever had any litigation with regard to horse racing matters? _____

If so, give details:

30. Is applicant delinquent in the filing of any report or the payment of any tax as required by Chapter 17 of the Laws of New Jersey 1940? _____

If so, give details:

-
-
-
31. State name of manufacturer of betting equipment proposed to be used at the track _____

If presently uncertain, will applicant submit machines for the approval of the Commission before operation of the same, in accordance with Chapter 17 of the Laws of New Jersey 1940?

Yes _____ No _____

32. State number of races it is intended to run daily during the proposed race meeting, together with the amount of purse for each race, said purse to be for a minimum of \$1,500.00. _____

33. If applicant receives a permit, will the holder carry Workman's Compensation Insurance, Public Liability and Jockey Insurance and all other insurance to protect employees and patrons and all other persons attending said races? _____

34. The applicant acknowledges by the signing of this application that if a permit be granted, it shall become the duty of the applicant as long as the permit shall remain in effect to file with the New Jersey Racing Commission such reports as may be required by Chapter 17 of the Laws of New Jersey 1940 and such rules and regulations as it may have adopted or may hereafter adopt, and to make such payments as may be required by law, and for the failure to do so, the permittee shall incur the penalties set forth in Chapter 17 of the Laws of New Jersey 1940, or in such rules and regulations as said New Jersey Racing Commission may have adopted or may hereafter adopt.

35. The applicant agrees if a permit is issued to abide by and comply with the provisions of Chapter 17 of the Laws of New Jersey 1940 and any rules and regulations heretofore or hereafter promulgated by the New Jersey Racing Commission.

36. The applicant agrees that if a permit be granted, all buildings and portions of buildings erected or to be erected on the premises here involved may be inspected by the New Jersey Racing Commission and

their duly authorized agents, servants or employees.

37. The applicant agrees that if said permit is granted and the buildings proposed to be erected and the track have not already been constructed, that such construction shall be subject to the approval and inspection of the New Jersey Racing Commission and to that end further agrees that the said New Jersey Racing Commission, its agents, servants or employees, shall have access to the same during construction, and further agrees to so construct in strict accordance with such plans and specifications as may hereafter be approved by the New Jersey Racing Commission and to pay for the cost and expense incurred for the study and approval of the plans and specifications and inspection of the construction by said New Jersey Racing Commission.
38. Applicant agrees that all attached reports, papers, etc., are made a part thereof as if set forth herein in full.
39. Applicant agrees that any permit or license which may hereafter be granted to it or him is predicated upon the statements and answers herein contained and that for any false or misleading statement or answer said permit or license may be revoked.
